

About the City of Norman

Welcome to Norman, Oklahoma, home of the University of Oklahoma and the "City of Festivals." Norman is located in central Oklahoma, 17 miles south of Oklahoma City. With a population of 128,000, the city offers a variety of restaurants, shopping opportunities and affordable housing. In fact, housing costs and the cost of living are below the national average.

About the Health System

Norman Regional Health System is a not-for-profit community health system. Our flagship hospital is licensed for 305 beds, providing for the health and wellness needs of our regional communities. Our health system is large enough to provide a well-rounded clinical experience and small enough to provide a personal, interdisciplinary, and family like atmosphere. We provide a variety of comprehensive health care services, including:

- Cardiology
- Critical Care
- Medical/Surgical
- Emergency Medicine
- Rehabilitative Care
- Outpatient Infusion Center
- Neurology
- Women's and Children's Services
- Nephrology
- Orthopedics

About the Pharmacy

The pharmacy department consists of a centralized distribution pharmacy, inpatient floor based clinical pharmacy specialists and surgery pharmacy satellites. Some of the clinical services and precepting opportunities we provide include:

- Antimicrobial Stewardship
- Adult Parenteral Nutrition Mgmt.
- Anticoagulation Mgmt.
- Medication Reconciliation
- Precepting P4 Students
- Medical Resident Didactics
- Comprehensive Renal Dosing Program
- Medication Use Evaluation
- Drug Information
- 24/7 On-call Clinical Services
- Nursing In-services

What Past Residents Are Saying:

"I highly enjoyed the people I worked with and made so many friends."

"We are given a lot of autonomy by the medical staff."

"The residency trained me to be a competent, confident clinical pharmacist."

"Pharmacists are sought after and well-respected in the hospital."

"The pharmacy department has incredible support from our health system's administrators."

PGY-1 PHARMACY RESIDENCY PROGRAM

**NORMAN
REGIONAL**
Health System

NormanRegional.com/Pharmacy

Residency

- Three PGY-1 residency positions allows significant camaraderie with your co-residents, while also providing plenty of one-on-one preceptor interaction.
- Preceptors are progressive and committed to improving patient care.
- Board certified preceptors
- ASHP accredited since 2001 with 52 successful graduates as of June 2024.
- Train and be mentored under the guidance of passionate and experienced preceptors.
- Teaching certificate available

Goals

- Develop clinical, practical, and administrative skills in a unique variety of settings in a community health system.
- Learn to work independently and as a part of an interdisciplinary team to promote optimal drug therapy and responsible drug therapy outcomes.
- Contribute to the knowledge of the field through teaching and seeking publication.
- Develop and complete a major research project.

Requirements

Doctor of Pharmacy from an accredited college of pharmacy, eligibility for licensure in the state of Oklahoma, letter of intent, curriculum vitae, academic transcript, three letters of recommendation, and an interview.
