Greetings! We are proud to present this 2009 Physician Directory featuring our entire Medical Staff, who are experts in their respective specialties. We welcome you to become better acquainted with Norman Regional Health System (NRHS) and to choose our quality physicians and services for your and your family’s healthcare.

NRHS thrives on continuous innovation and we are achieving numerous awards for our nationally benchmarked clinical practices and dynamic culture. We continue to add new physicians, services and facilities to allow you to stay close to home for the care you need. This is an exciting time as we expand to meet the needs of our regional community.

Our Health System is uniquely a not-for-profit public trust that is locally controlled and whose revenues are used for continuous support of our mission. Governance, physicians and staff support our profound mission each day “to provide quality and compassionate healthcare services and education to our regional community in a responsive, efficient and safe manner”.

We invite your feedback. Please feel free to share comments through our website.

Thank you for your continued support!

Best regards,

David Whitaker, FACHE
President & CEO
